Project Title: **Roald Dahl**

I want to build an informational multiple-page website about Roald Dahl's life and his writings. The purpose of the website is to provide information about Dahl as an author and categorize Dahl's writings to help readers and potential readers. I want to highlight the goofiness and peculiarity of the contents of Dahl's writings with the website's design.

- **Home Page/Introduction**
 - State the purpose of the website and summarize the basic points.
- **Early Life**
 - Repton School
 - Fighter pilot career
 - Post-war life
 - *Only focusing on the background information that is directly related with his writing career
- **Writing**
 - Introduction
 - Children's Fiction (list)
 - Screenplay and movies (list and explanation)
 - Short Stories for Adults (list and explanation)
- **Death and Legacy**
 - Awards
 - Galleries and Museums after Dahl
 - Quotes
 - Popularity
- **Sources**
 - On this page I will list the sources and references that I used.
